

MINT OF THE UNITED STATES AT PHILADELPHIA,

SUPERINTENDENT'S OFFICE,

January 12, 1910

The Director of the Mint,
Washington, D.C.

Sir:

I beg to enclose herewith a report of the Coiner giving the highest, lowest, and average number of pieces coined from dies of each denomination at this mint during the calendar year 1909. Will this report be acceptable, or, will it be necessary for the Coiner to make out a report giving a record of the life or service of each die as required by Article 16, Section 6 of the Mint Regulations? Such a report will cover many pages, as 2209 dies were used by this mint during the calendar year 1909.

Respectfully,

Superintendent.

Statement of number of dies, pieces produced, average number of pieces produced per die, and the highest and lowest number of pieces coined from dies of each denomination in the coinage operation at the mint of the United States at Philadelphia, during the Calendar Year 1909.

Denomination		No. of Dies	Pieces produced	Avg. No. of pieces per die	Highest No. of pieces	Lowest No. of pieces
